

## **Hello Everglades Region Porsche Club America members!!**

Irma has made us all a bit down hearted- we were very disappointed to have to cancel the rally! However that event will be **revived** and held on Sunday, November 12th.

In the meantime to cheer us all up how about a drive and lunch to exercise our Porsches and exchange hurricane stories!!?

**On Sunday October 15<sup>th</sup>** we plan to meet in Fort Myers at the rest stop at exit 131 off I75 at 11am (behind the Racetrac gas station) and drive to the **Celtic Ray** restaurant in Punta Gorda. (Address 145E Marion Ave Punta Gorda phone 941 916 9115)

There we will have Lunch – limited to 3 lunch choices  
\$11 per person and you will pay the restaurant **directly** on the day for your lunch.

All you need to do is let us know you are coming so we can tell the restaurant the numbers- **please** do that as it would not be fair on them just to turn up at this short notice.

Hope to see you!

Chris and Jenny Branston
