

**THEME SONG LYRICS TO
GILLIGANS ISLE**

**Just drive right down
And you'll hear a tale,
Of WOTY 's awesome
cars,
That started from the
Naples Port,
Then Porsches stopped at
bars.**

**The mates were all
driving lads,
The passengers all brave
and sure,
Ninety set to drive that
day,
For a three-day tour,
A Three-day tour.**

**The weather started
getting rough. The**

**speeding cars were
tossed,
If not for the courage of
our drivers,
The Porsches would be
lost,
The Porsches would be
lost.**

**So join us today all my
friends,
You're sure to get a
smile,
From our stranded
Porsche drivers,
Here on Marathon Isle.**

**And finally give a hand to
those,
Working hard to strand
us here,
Now lets all enjoy this fun
night, and give a hearty
cheer x2.**
